# **Scrapbooks**

#### **PURPOSE:**

To provide **pictorial** and written documentation of events within a congregation's history since the previous MWLTC Convention.

Questions? Contact us and we'll connect you with the Event Coordinator.

#### **PROCESS**

Each participant / team (or church coordinator) will:

- Be certain that students are registered for this event by the registration deadline. (This also means "registered as teams" if working as a team.) (The church coordinator can help with this.)
- Deliver projects to the Scrapbook area on Friday afternoon of the convention.
  Refer to the convention schedule for times. Please do not just drop them off. Make sure someone is there to check them in. Pick up entries 4:30–6:00 p.m. on Saturday of the convention.
- Be certain that at least one adult volunteer evaluator is provided per team from a congregation. (The church coordinator will do this.)

#### The Event Coordinator will:

- Assume responsibility for the MWLTC Scrapbook Event and be certain the display area is adequate.
- Be available to receive entries on Friday afternoon of the convention, in the Scrapbook Display area. Refer to the convention schedule for times.
- Conduct an evaluators meeting before projects are evaluated.
- Organize entries for evaluation & display.
- Report results and deliver critique sheets to the Awards Committee.

#### **GUIDELINES**

Participant Eligibility

- Grade Levels: There are two grade levels: Grades 3-6 and Grades 7-12. The scrapbook project will be evaluated <u>based on the grade level of the</u> oldest participant. (See awards section below.)
- Team & Individual Projects: A scrapbook project may be submitted from a team or an individual participant. No participant may work on more than one scrapbook project. Teams may be made up of participants from multiple grade levels, but the project will be evaluated based on the grade level of the oldest student.

#### Scrapbook Size & Length Requirements

- Size: When closed, scrapbooks shall be no smaller than 8.5 x 11 inches and no larger than 13 x 16 inches.
- Pages: For Grades 3-6, the scrapbook must contain a minimum of 4 pages

(front and back) for a total of 8 pages. For Grades 7-12, it must contain a minimum of 6 pages (front and back) for a total of 12. Each page should have a protective cover or sleeve.

#### Content & Page Descriptions

- Cover: Cover decoration is not required and will not be evaluated.
- Journaling: Pages must include journaling, which describes who, what, when, and where. Journaling must be as neat as possible. Handwritten journaling is preferred because it adds a personal touch, but typed is acceptable.
- Historical Significance: In order for scrapbook to have historical significance, names and locations of events need to be included. For example, with a picture of a camp, the names of the campers and where the camp was held is important. Years from now, no one will remember. The focus should be the event (what took place, why you were doing what you were doing, what benefits did you or others receive, etc...).
- Content: As a suggestion, scrapbooks should show service projects, outreach opportunities, edification activities, ability to work together, etc. Activities should be well documented and describe the events and participants.
- Order: Use chronological order. Be creative, neat, imaginative, and organized.
- Theme: Scrapbooks do not have a theme like other events. The goal is to have a history of events for your church throughout the year.
- Materials: Glitter must NOT be used, as it is against hotel policy.
